

## Start saving on your energy bills today!

Get ready to enjoy the sunny season while saving big on (or eliminating) your energy bills. Our Summer Solar Rebate helps you save money on your solar installation and enjoy the benefits of renewable energy.

## Summer Solar Rebate

**save \$500**

on EVERVOLT HK and PK Series solar systems  
June 5th through September 5th, 2023

This limited-time offer is your chance to harness the power of the sun and make a significant impact on your home's energy efficiency. Don't miss out on this fantastic opportunity — act now and secure your \$500 summer rebate.

**Speak with your Panasonic Authorized Installer to get started.**

### How it works

- \$500 rebate per system
- Contract must be signed between June 5th - September 5th, 2023
- Limited time – promotion is in effect while supplies last
- New installations only
- Must be a minimum of 4kW system
- Installation must be completed by March 31, 2024
- One (1) rebate per household
- Where to claim your rebate: <https://www.solarenergystorageconsumerrebate.com/>
- Secure your spot by adding your signed contract, then complete your rebate by adding PTO once the system is installed
- Use code: [EVERVOLTSOLAR](#)
